This compilation should aim to provide panelists with a substantial view of your current work and its content through carefully selected samples. In lieu of one compilation, artists may submit 2-5 separate work samples/excerpts, totaling no more than 10 minutes in length. Submit video work samples either as URL links (preferred) or as video files uploaded through the café system. (See below for more information about audio and video files.)

C. COMBINATION: (6) images and (1) 5-minute video, or (2) images and (2) videos totaling 8-minutes

For artists creating both still and time-based work, you may submit a combination of documentation of work completed in the past three years. If involving significant collaboration with others, please list collaborators and specifically explain their roles in its creation.

More about audio/video work samples:

The preferred method of submitting video work samples for this application is to upload them elsewhere (suggested host sites: Vimeo or YouTube) and to provide URL links rather than uploading files through the CaFE system. However, artists WILL NOT be penalized for uploading files through CaFE.
