ROCKET RELIEF CYCLE 3 – EMERGENCY FUND FOR ARTISTS IMPACTED BY CORONAVIRUS

The Rocket Relief program aims to provide emergency support to individual artists in the Kansas City regional bi-state (or Missouri/Kansas bi-state) region within 80 miles of Kansas City. Organizations (such as non-profits, artist-run collectives, independent art businesses) are not eligible for funding as entities, however *individual artists* associated with entities are eligible as individuals. Applicants who have already received a Rocket Relief grant in cycle 1 or 2 are no longer eligible.

OBJECTIVE OF ROCKET RELIEF

This grant is intended to help artists whose income has been impacted by the Coronavirus Pandemic and who need assistance with basic expenses such as food, housing, medical costs, and child care. This fund is open to all self-identifying visual, multi-disciplinary, and performing artists in the Rocket Relief Region. Grant amounts are available as flat stipends of \$1000.

SELECTION PROCESS

Rocket Relief utilizes a lottery method that is weighted to prioritize applications based on financial need. In recognition of the disproportionate impact on Black, Indigenous and/or People of Color (BIPOC) from COVID-19 as reported by the CDC, cycle 3 will see the addition of using demographic information to also prioritize artists who self-identify as BIPOC. Eligible artists will be included in a distribution pool, from which ten artists per week will be chosen by lottery until all funds are exhausted. At least 60% of the grants will be awarded to BIPOC artists who are most affected. Once an artist has entered the pool and is confirmed as eligible, they will remain in the pool and weekly selection process until funds are fully depleted.

HOW TO APPLY

Applications are only accepted online through the [Call for Entry \(CAfE\) system](#). Emailed or hard copy submissions will not be accepted. Should you need assistance or help with the application process email rocketrelief@charlottestreet.org.

To ensure that your information is entered by the first lottery drawing, plan to complete the application by February 14, 2021. The first 10 recipients will be notified on February 19, 2021, and every subsequent week **10 artists** will be drawn from the lottery and notified until the funds are depleted. Applications may continue to be submitted and eligible applicants will be added to the pool until funds are depleted.

If you applied for the Rocket Relief grant during the first or second cycle and did not receive a grant, you will need to reapply to be in the pool of received applications. Applications from cycle 1 or 2 will not be transferred over to cycle 3.

ELIGIBILITY REQUIREMENTS FOR ARTISTS

Funds are for individual artists specifically and nonprofit entities are not eligible for funding. Applicants who have already received a Rocket Relief grant in cycle 1 or 2 are no longer eligible.

Acceptable loss of income circumstances includes but is not limited to:

- Cancellations of performances, exhibitions, fairs, public programming, readings, panels, loss of sales, commissions and speaking opportunities
- Reimbursement for travel expenses related to creative work that you paid for yourself. This includes but is not limited to: Attending conferences and convenings that have been cancelled, Artist residencies, Touring
- Offsetting loss of income for teaching artists who could not teach during this time because of cancelled classes and school closures
- Support for artists working full or part-time in the service or other non-arts related industry who have lost supplemental income used to support their creative practices
- Loss of ability to work due to caretaking duties for a family member or member of household
- Increased costs due to unexpected coronavirus related health care for yourself or immediate family member

Eligibility is not impacted by prior or current engagements, awards, or programming affiliations with the Charlotte Street Foundation, Spencer Museum of Art, or The Andy Warhol Foundation for the Visual Arts.

There is no restriction on usage of funds. Once granted, artists may use the award however they see fit. There will be no final report required.

Due to the potentially sensitive nature of circumstances regarding eligibility for this grant, grantees for this award will not be announced publicly. The information you provide in this application is confidential and may be used to report demographics without identifying information. Testimonials that were voluntarily entered into the application may also be shared privately with funders, but only without identifying information.

ROCKET RELIEF PARTNERS

Rocket Relief has been made possible by the generosity of the Andy Warhol Foundation's regional regrants program. As the coronavirus pandemic continues to impact our local artist community, Charlotte Street Foundation, Spencer Museum of Art and the Andy Warhol Foundation will continue to reallocate the \$100,000 grants typically used for administration and distribution of regrants funds (In our region, the Rocket Grant Program, usually administered by Charlotte Street Foundation and the Spencer Museum of Art), to create and support administration of Coronavirus emergency relief funds in their communities. As a result of this opportunity, cycle 3 will see the \$60,000 annually allocated toward Rocket Grant awards distributed in emergency grants to artists in the Rocket Grants region. The Rocket Grant

program will resume its intended project-based funding framework in 2022. Charlotte Street Foundation is contributing an additional \$50,000 to the relief fund.

At launch of cycle 3, \$110,000 in total is available in grants to artists of all disciplines in the Kansas City region thanks to generous financial and administrative support from Spencer Museum of Art, and Andy Warhol Foundation.

WANT TO DONATE

If you or your organization would like to contribute additional funds to this Emergency grant program, please contact Charlotte Street Foundation's Director of Development at amanda@charlottestreet.org and indicate that you would like to contribute to the Rocket Relief.
